ELEVATING THE *Legacy* with Community Support

Since 1914, Steamboat Spring Winter Sports Club has nurtured generations of athletes and a passion for winter sports. Over the last ten years, SSWSC has increased participation and now serves over 50% of school-aged kids in Steamboat. Donations are needed to support programs and operations, enhance scholarships and access, and ensure the long-term sustainability of the organization.

Your support will help Elevate the Legacy and SSWSC's impact on future generations and continue the mission of creating champions on and off the mountain each and every day.

ANNUAL FUND

Program fees cover only 65% of SSWSC's annual operating budget. Unrestricted gifts, or gifts directed to current budgeted programs, close the gap between fees and expenses each year.

ANNUAL FUND GOAL:
\$500,000

SCHOLARSHIPS

Last year SSWSC distributed over \$450,000 in need and merit-based scholarships. For 2024-2025, we are increasing our support to full-time, year-round, high-school-aged competitive athletes to keep them in the sport and pursue their dreams.

ANNUAL SCHOLARSHIP GOAL:
\$550,000

ENDOWMENT

Growing the endowment is critical to the financial security and long-term sustainability of SSWSC. A gift to the endowment or establishing a named fund for your family or someone who inspired you leaves your mark on SSWSC forever.

ENDOWMENT GOAL:
Double the assets in the endowment over the next 3-5 years.
